DESCRIPTION

Inflatable beach ball in PVC, model Aquatime, intended for outdoor use and beach activities. Its panels alternate between transparent and opaque sections, creating a playful look and good visibility during games. When inflated it measures Ø24CM and packs down flat when deflated for easy storage.

The ball features a visible air valve and a glossy PVC finish. The smooth surface is easy to clean with soapy water. It comes in several colours, such as Blue, Red and Yellow, making it suitable for summer events, giveaways and recreational use.

Customisable from a minimum order of 150 pieces (colours and sizes combined), this personalised beach ball can be marked using flex, screen printing on object, multicolour transfer, DTF printing and pad printing. Recommended for companies, clubs, associations and event organisers seeking a visible promotional item.
