DESCRIPTION

Shopping bag with a square profile (33 x 16.5 x 30 cm) in PET-PVC, designed for everyday use and events. Its rigid base keeps contents upright and reduces sagging, while short and long handles allow hand or shoulder carry. Care is straightforward: spot cleaning recommended to preserve the material.

The bag features a side pocket and an internal zipped pocket to organise keys and small items. Visible finish details show straight seams and a structured shape suitable for repeated use in professional or association settings. Compact dimensions make it easy to store in a vehicle or cupboard.

Customisation by screen printing on object, multicolour transfer, DTF printing or flex is available. A practical personalised shopping bag for companies, trade shows, clubs, associations, events and private customers.
