DESCRIPTION

This personalised speakers product, the Round Bass, is a compact wireless speaker in a cylindrical ABS housing (Ø6 x 4.9 cm) with a rubberised finish. It includes a rechargeable 450 mAh lithium battery, 3W output (3 ?, 5 V), an SD card slot and AUX/USB connectivity, making it suitable for promotional use, music playback at events or as a branded giveaway.

The photograph shows the rounded profile with a top grille and a base containing controls (play, volume, on/off, MP3 mode) plus an LED indicator. The rubberised surface provides a secure grip and a neat, durable feel. Available in several colours — for example Black, Orange, White — its compact dimensions make it easy to distribute at conferences and events.

Customisation available from 25 pieces (colours combined). We offer laser engraving, pad printing (tampography), screen printing on objects and doming to apply your logo. Suitable for companies, sports clubs, associations, events and private customers; free quote within 24 hours on weekdays.
