DESCRIPTION

Compact silicone card holder designed to stick to the back of a smartphone using an integrated adhesive pad. With measurements of 5.5 x 8.5 x 0.2 cm it holds a business card or payment card while keeping a slim profile. The upper section shows a textured finish for grip, the main body is smooth and flexible and easy to clean.

This accessory is available in several colours (e.g. black) and is suited to daily use for carrying cards, badges or tickets at events or on the move. The adhesive provides a secure, semi-permanent attachment to a phone case rather than repeated removals.

Customisable by screen printing, the Silicard is ideal for companies, events, associations, clubs and individuals seeking a practical personalised travel accessory. Minimum order: 500 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; graphic studio available to prepare your artwork.
