## DESCRIPTION

This compact ABS keyring (6 x 3.8 x 2.2 cm) is made for everyday carry. The personal alarm is triggered by pulling the attached pin and a white LED provides a small light; it is powered by three AG13 batteries supplied with the unit. The smooth oval body gives a secure grip and is easy to wipe clean.

The item features a metal split ring and swivel clip for attaching to keys or bags. Operation is straightforward with a single push button and the removable safety pin — a simple, practical design focused on reliability and portability.

This personalised keychain can be marked by pad printing and is suitable for businesses, sports clubs, associations and events seeking a practical safety gift. Minimum order: 100 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; our graphic studio can retouch or vectorise your logo. Collection at our Evere workshop or delivery in Belgium, France and Luxembourg. Standard production 10 working days, express option available for items in stock.
