DESCRIPTION

The Airy desk fan in ABS is a compact, USB-powered office accessory with an on/off button, sized 14.5 x 14.5 x 9.5 cm. Its protective grille and angled stand provide stable placement and a directed airflow; the ABS casing makes it easy to clean with a wipe. Suited to desks, trade stands or reception areas, it is available in several colours including black and white.

The simple hinged frame allows slight adjustment of the airflow direction while the base keeps the fan steady on flat surfaces. Constructed from a single ABS material, the unit is lightweight yet robust for regular office use.
