DESCRIPTION

This compact double-sided mirror in PP features a rubberised finish and offers both a standard and a magnifying surface. Its round shape and Ø6.8 x 1.2 cm dimensions make it easy to slip into a bag or toiletry kit. Lightweight and low-profile, it's designed for on-the-go use and simple care — wipe with a soft cloth to maintain the surfaces.

The rubberised edge gives a secure grip and protects the rim. The mirror uses a straightforward open/close action without complex mechanics, reducing wear. Its compact footprint provides enough reflective area for quick makeup checks and grooming.
