DESCRIPTION

Compact colouring set (21.5 x 18.5 x 1 cm) for children, made of paper with a top spiral binding for easy handling and an integrated pencil compartment containing eight coloured pencils. The set includes 24 pages — 6 printed colouring pages and 18 blank sheets — suitable for classroom activities, youth groups or promotional events. Practical size for carrying and simple for small hands to use.

The two-part layout — main colouring block and a side pencil holder with a window — keeps pencils organised and visible while reducing loss. The spiral binding allows pages to lie flat for drawing and colouring. The dimensions make it convenient to include in school bags or event goodie bags.

This item can be personalised by screen printing on the object, ideal for simple marks on the cover or pencil compartment. Suitable for companies, clubs, schools, associations and events looking for a personalised colouring set. Minimum order: 25 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; in-house design studio can vectorise or retouch your logo.
