DESCRIPTION

The Haarlem umbrella is designed for everyday use with a plated steel shaft and ribs for stability and a pongee 190T canopy. It features automatic opening and manual closing, a 93 cm canopy diameter and a shaft length of 52.5 cm — sized to shelter one person. The ABS rubberised handle provides a secure grip; the frame folds in two sections and a matching sleeve is supplied for storage and transport.

Construction is practical and durable: metal ribs and shaft with a robust handle, offering good surfaces for branding across the panels. The item is available in several colours, for example Black, Blue and Red, and measures Ø93 x 56.3 cm.

This personalised umbrella can be decorated by screen printing on objects, multicolour transfer, DTF printing, flex or sublimation depending on the desired finish. Minimum order: 15 pieces (colours and sizes combined). Suitable for companies, clubs, associations, events or corporate gifts; our studio can vectorise or refine your logo prior to production.
