Ref. 8780

Reference	8780
Composition	Metal
Material	Metal
Average weight	0.361
Dimensions	Ø97 x 56.7CM
Country of origin	China
Carton	25 pieces

DESCRIPTION

Three-section automatic open-and-close umbrella designed for everyday use by individuals and organisations. The plated metal shaft and fibreglass ribs provide improved wind resistance, while chromed tips and a rubber handle with a push button ensure comfortable grip. Canopy in pongee 190T, 97 cm diameter and 52.5 cm shaft length; a classic cut suitable for commuting and outdoor events. Care is straightforward: shake off water and air-dry after use.

The automatic mechanism is operated from the handle and the three-section design makes it compact to store in the supplied sleeve. Metal components combined with fibreglass reinforcements increase durability in blustery conditions, and the stitched canopy provides reliable performance over time.

Suitable as a personalised umbrella for companies, sports clubs, associations, events or corporate gifts. Customisation techniques available: screen printing on object, multicolour transfer, DTF printing, sublimation and flex. Minimum order quantity: 13 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and our graphic studio can vectorise or retouch your logo.
