Average weight	0.033
Dimensions	24 x 9,5CM
Country of origin	China
Carton	300 pieces

DESCRIPTION

The Colourpouch waterproof smartphone pouch is made from flexible PVC with a polyester cord and a safety snap closure. Measuring 24 x 9.5 cm, it fits compact phones and its front surface allows touchscreen operation without opening the pouch. The design is unisex and worn conveniently around the neck with the adjustable cord.

The transparent finish protects devices from water and sand while showing the phone silhouette; seams are neat and the fold-over closure ensures a secure seal. It comes in several colourways, for example blue transparent and white transparent, and can be wiped clean with a damp cloth.

This pouch can be branded by screen printing on the object and is suitable for companies, sports clubs, associations, events and private customers. Minimum order: 150 pieces (colours combined).

COLOURS (2)

Transparent Blue

Transparent White
