DESCRIPTION

Compact unisex sports and outdoor bag in waterproof PVC, with an approximate capacity of 1.5 L and dimensions 17.5 x 32.5 cm. Its tubular shape and roll-top closure with strap and buckle provide a simple, reliable seal against moisture. The material has a smooth, durable finish and is easy to wipe clean, making it suitable for wet environments, gym use or carrying small essentials.

The small format fits a phone, keys and a few accessories. The strap is used to roll and fasten the opening before clipping the buckle; the straightforward design without pockets or zips keeps the bag light and low-profile.

This bag can be customised by screen printing and is intended for companies, sports clubs, associations, events and private customers. Minimum order: 50 pieces (colours and sizes combined). Practical as a promotional giveaway or a compact accessory for outdoor activities.
