DESCRIPTION

Small paper gift bag (16x10x23 cm), designed to hold a single item or several small gifts. Its lightweight paper construction makes it suitable for trade shows, retail packaging and event giveaways. The bag stores flat and offers a practical solution for short-term use where a neat presentation is required.

The bag features twisted paper handles fixed to the top edge for hand carrying. It has a straightforward build with no closures or inner pockets; the 10 cm depth accepts small boxes or sets of promotional items. Care: intended for light-duty use—keep dry to avoid weakening the paper.

Customize this personalised gift bag in several colours (for example beige, white). Customisation techniques: digital printing, object screen printing, multicolour transfer, DTF printing and flex. Suited to companies, shops, associations, clubs and event organisers. Minimum order: 100 pieces (colours and sizes combined). Free quotes on weekdays; collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
