This model is practical for shops, events and gift packaging where simple, reliable presentation is required.

The bag includes an 11 cm gusset to increase capacity and twisted paper handles for comfortable hand carrying. Its clean finish and reinforced top folds reduce wear during repeated use. Available in several colours such as Beige and White, it suits retail presentation and event gifting.

Customisable by digital printing, screen printing on objects, multicolour transfer, DTF printing and flex, this personalised gift bag is well suited to companies, clubs, associations and event organisers.
