DESCRIPTION

The unisex Spot Five bottle in PE holds 500 ml and is built for everyday sports use: a straight-bodied design for easy grip and a screw cap with a push-pull spout for simple drinking. The plastic is sturdy and BPA-free, and the bottle is described as leak-resistant — suited to training sessions, school events and lunch breaks. It comes in several colours such as Black, Royal Blue and Red.

Measuring Ø7 x 17 cm, the shape fits most cup holders and gym bags. The black cap shown has a push-pull nozzle and a ribbed screw collar for good grip, helping prevent spills during transport. Clean with warm soapy water and avoid abrasive cleaners to preserve the printable surface.

This bottle is available for companies, sports clubs, associations, events and individuals and can be personalised as a personalised bottle using screen printing or digital printing. Minimum order: 25 pieces (colours and sizes combined) — lower quantities can be arranged with additional fees. Free quote within 24 hours on weekdays; standard production 10 working days.
