DESCRIPTION

The Goodtimes picnic blanket for outdoor use is made from PET with a PEVA-backed underside to shield against damp ground. Measuring 150x120 cm it provides comfortable space for two and folds down compactly for transport. The fabric is lightweight and simple to care for: spot cleaning or wiping removes dirt and moisture.

The photo shows the blanket folded into a compact carry format with a front zip pocket and an integrated shoulder strap for easy handling. The zip pocket stores cutlery, napkins or small items, while the reinforced edges give the blanket durable wear performance for repeated outdoor use.

This personalised picnic and camping blanket can be marked using screen printing, multicolour transfer, DTF printing, flex and embroidery. Suitable for companies, sports clubs, associations, events and private customers. Minimum order: 10 pieces (colours combined); we provide free weekday quotes and our design studio can retouch or vectorise your logo.
