Dimensions	14 x 14 x 4,7 CM
Country of origin	China
Carton	20 pieces

DESCRIPTION

The Powerset is a compact computer accessories kit presented in a hard EVA/PU case, designed for safe storage and easy transport. The set includes a wireless mouse, a 4-port USB 2.0 hub, an EU plug and a 4000 mAh powerbank with micro-USB charging cable. The ABS shell protects the contents and, at 14 x 14 x 4.7 cm, fits neatly into a laptop bag or briefcase.

The case opens with a zip and features an internal mesh pocket on the lid for cables and the charger, while the base compartment holds the mouse and powerbank. The rigid exterior and organised interior keep items separated and protected in transit. Care is straightforward: wipe the shell with a damp cloth.

Customise this kit for corporate gifts or events using transfer printing (transfert multicolore), flex or pad printing (tampography), all suitable for ABS surfaces. Ideal for businesses, clubs, associations and events. Minimum order: 10 pieces (colours and sizes combined).
