DESCRIPTION

The Taza ceramic mug (180 ml) features a slightly tapered silhouette with an ergonomic handle and a glossy finish. Made from stoneware, it has a straight body that widens gently toward the rim, a rounded lip and a stable base. It is supplied individually boxed in a white cardboard box, convenient for events or gifting.

With compact dimensions (Ø7.5 x 9.5 cm) this mug suits common hot beverages. The stoneware construction gives it everyday sturdiness while the handle ensures a secure grip. The glazed surface keeps care and handling straightforward.

This personalised mug can be marked by tampography or sublimation, both suitable for crisp, durable prints. Minimum order: 10 pieces (colours and sizes combined). Ideal for companies, sports clubs, associations, events and private customers; our graphic studio can retouch or vectorise your logo. Free quotation within 24 h on weekdays, standard production 10 working days, 24 h express for in-stock items; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
