DESCRIPTION

The Basie Apollo 6-panel cap is crafted from cotton serge (160 g/m²) in a classic cut with a slightly curved peak. It features six stitched eyelets for ventilation and an adjustable closure (size 7 1/4), offering a straightforward, durable construction with visible panel stitching and a clean brim finish.

Offered in several colours — for example black, royal blue or white — this cap suits teams and promotional events. The dimensions (25x16x15 cm) provide a standard fit and good coverage, while the cotton material ensures natural feel and breathability. Please note this item is available from a minimum order of 100 pieces (colours and sizes combined).

We can personalise this cap using embroidery, multicolour transfer, DTF printing, screen printing on objects and flex. Ideal for companies, sports clubs, associations, schools, events and individuals ordering in larger quantities.
