Country of origin	China
Carton	100 pieces

DESCRIPTION

The Aluhub is a compact aluminium USB hub providing four USB 2.0 ports to expand a single USB connection. With a 14.5 cm cable and compact dimensions (9 x 3.7 x 2 cm), it is convenient for desks and travel. The aluminium housing gives a sturdy, professional feel and requires no special maintenance.

The hub features four side-by-side USB sockets set into a slightly angled body for easy access. It sits neatly on a flat surface and connects to any standard USB port via the supplied cable. The product is available in several colours, for example matte silver, with a uniform metal finish.

The Aluhub can be customised by laser engraving or pad printing, making it suitable for companies, schools, associations, sports clubs and events looking for a personalised USB hub. Minimum order: 50 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
