DESCRIPTION

Care pack Bolitas, a hot-and-cold gel cushion designed for targeted first-aid and comfort. This square pad (9.5 x 9.5 cm) contains gel beads that can be heated or chilled to relieve bumps, localized pain and muscle tension. Its flexible shape conforms comfortably to the area being treated for effective contact and ease of use.

The construction is straightforward and practical: welded edges and a smooth, gel-retaining outer film that minimises leakage during normal use. Lightweight and portable, it fits easily into a first-aid kit or sports bag. Care is simple — wipe with mild soapy water and store away from direct heat sources.

Customisation is available by pad printing, making this item suitable for companies, sports clubs, associations, events and promotional gifts for individuals. Minimum order: 50 pieces (colours and sizes combined). Our graphic studio can prepare your artwork for printing. personalised care pack on request.
