DESCRIPTION

The Event silicone bracelet features a smooth, rounded profile and a flexible feel, sized at Ø6 x 1 cm for comfortable wear. Made from silicone, it is suitable for promotional giveaways and event use. Available in several colours — for example Orange, Blue or Fuchsia — it works well for attendee identification and brand visibility at events.

Its plain, unembellished finish provides an excellent surface for printing; the durable material is easy to clean and withstands repeated use. The simple band sits discreetly on the wrist so it can be worn alone or alongside a badge during conferences and festivals.

This personalised bracelet can be marked by tampography and screen printing for logos, text or numbering. Minimum order: 1000 pieces (colours and sizes combined). Recommended for businesses, clubs, associations, schools and events; our design studio can retouch or vectorise your logo. Free quote within 24 hours on weekdays, collection in Evere or delivery in Belgium, France and Luxembourg.
