DESCRIPTION

The Shoopie mini shopping bag is a small non-woven PP bag designed for children's writing and colouring activities. Its square shape and short handles make it easy for little hands to carry; the compact dimensions (20.5 x 4.5 x 22 cm) leave room for a few pens and drawing sheets. One side is pre-printed with a colouring design and the bag is supplied with felt-tip pens, making it an instant activity kit for school fairs, parties or workshops.

The PP construction gives a lightweight structure with visible stitching at the handles for improved durability during use. The flat profile makes storage straightforward and handheld transport convenient. Care is simple: wipe clean with a damp cloth to remove surface marks or colour traces.

This personalised mini shopping bag is available from a minimum order of 100 pieces. Customisation options include flex, screen printing for objects, multicolour transfer and DTF printing. Well suited to schools, associations, clubs and companies looking for a playful promotional item or activity giveaway.
