DESCRIPTION

The Street set of 4 large chalk sticks is designed for writing and colouring. Each stick measures 25 mm in diameter and comes in a recycled paper sleeve, offering a comfortable grip for children. Made of chalk, it is easy to use on suitable surfaces and straightforward to clean after school or play activities. This model is available in 1 colour (for example beige) and suits educational and recreational use.

The practical four-piece format and compact sleeve make storage and transport simple. The finishes are basic: solid sticks with no mechanism, ready to use. The product dimensions (9.5 x 2.5 x 10.5 cm) keep it small enough to fit in pencil cases or activity bags.

Personalise these chalks for schools, associations, clubs or corporate events with DTF printing, doming or pad printing. Minimum order quantity: 50 pieces (colours and sizes combined). YourVisualHere provides a free quote within 24 hours on weekdays and offers a graphic studio to retouch or vectorise your logo before production.
