DESCRIPTION

This compact wooden puzzle (5 x 5 cm) consists of polygonal pieces that assemble into a star, serving as both an indoor game and a neat decorative item for desk or home. The set is presented in a cotton pouch and the wood is FSC® 100% certified. Suitable for children's play or as a thoughtful gift for events and corporate use.

The pieces have a natural, chamfered finish with smooth surfaces; disassembling and reassembling the star requires patience and logical thinking, making it an engaging tactile challenge. The cotton pouch keeps the parts organised and easy to transport.

Customize this personalised game using flex, screen printing on objects, multicolour transfer or DTF printing. Minimum order: 60 pieces (colours and sizes combined). Recommended for companies, clubs, associations, events and private buyers. Free quote within 24 hours on weekdays; our design studio can vectorise or refine your logo.
