DESCRIPTION

Unisex sports bottle in PE, Spot Seven model, designed for everyday sport and on-the-go use. With a 700 ml capacity and dimensions Ø7.3x23cm, it provides ample hydration. The PE construction is sturdy and BPA-free, and the contoured mid-section offers a secure grip. A screw cap with a pop-up spout allows easy one-handed use and helps reduce leaks during transport.

The bottle is simple to clean by hand; avoid extreme temperatures to preserve the material. Its straight profile with a moulded grip area fits most bike bottle cages and bag pockets. Available in several colourways, such as black, blue or red.

Use our personalised bottle service with digital printing or screen printing on the object, depending on the finish required. Minimum order: 25 pieces (colours and sizes combined) — smaller quantities may be possible with additional fees. Suitable for companies, sports clubs, associations, events and corporate gifts; our artwork studio can vectorise or retouch your logo prior to production.
