DESCRIPTION

The Stockholm business bag is designed to carry a laptop and documents for everyday professional use: a rectangular cut measuring 40x7x28cm, made from durable PET that is easy to care for. This unisex model features two padded top handles and an adjustable, removable shoulder strap for shoulder or crossbody wear. It is available in several colours, for example Grey and Blue.

The bag includes a zipped front pocket and a wide main zip for quick access to the laptop compartment. A rear trolley sleeve lets you secure the bag to a suitcase handle for easier travel; visible finishes (reinforced stitching and padded shoulder strap) provide the robustness expected for regular use.

Personalise this personalised business bag using Flex, screen printing on objects, multicolour transfer or DTF printing. Ideal for companies, sports clubs, associations, schools and private customers seeking a practical, professional bag. Minimum order: 5 pieces (colours and sizes combined).
