The Stockholm Bag is a backpack designed for daily commuting with a padded compartment for a 15" laptop and a separate tablet pocket, made from two-tone PET polyester. Its straight cut and proportions suit professional, school or event use: main compartment for a 15" laptop, a zipped front pocket and an additional tablet section. Padded back and shoulder straps provide comfort; top handle and trolley attachment included. Available in several colours, for example grey and blue. Dimensions: 30 x 14 x 45 cm.

The photo shows a clean front panel with a discreet zip pocket and mesh side pockets for a bottle. Padded straps and a reinforced back improve comfort during transit. Exposed zips and simple seams make daily handling and care straightforward.

This personalised backpack can be marked using multicolour transfer, DTF printing or flex depending on placement (front panel, front pocket or top panel). Suitable for companies, sports clubs, schools, associations and events; minimum order: 5 pieces (colours and sizes combined).
