Average weight	0.034
Dimensions	27 x 15 x 30CM
Country of origin	China
Carton	100 pieces

DESCRIPTION

The Apo Bag shopping bag is made from polypropylene (PP) with a gusseted base, offering a practical rectangular shape for retail, trade shows and events. Measuring 27 x 15 x 30 cm, it provides a useful capacity for shopping and giveaways. The non-woven PP at 80 g/m² keeps the bag lightweight while maintaining structural integrity thanks to visible stitching and reinforced top seams. Easy to clean with a damp cloth.

The bag features short, securely stitched handles and a flat bottom created by the gusset, which helps with packing and stability when carrying items. It is available in several colours, for example Black, White and Royal Blue, making it simple to match your brand or event theme. Stated dimensions: 27 x 15 x 30 cm.

Personalise this personalised shopping bag using appropriate techniques: screen printing, multicolour transfer, DTF printing, flex. Suitable for businesses, sports clubs, associations, events and private customers looking for a promotional bag. Minimum order: 50 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
