DESCRIPTION

Unisex shopping bag in organic cotton, rectangular 38x42 cm with long shoulder straps for comfortable carrying. The lightweight woven fabric offers practical handling and folds flat for storage; a side tag indicates organic cotton composition. Gentle washing is recommended to preserve the fabric and shape.

The construction is clean and functional: top hem and straps sewn into the body for reinforced wear. Its flat profile makes it suitable as a lightweight shopping tote, an event giveaway or a document carrier.

This personalised shopping bag can be customised by screen printing, multicolour transfer, flex or DTF printing. Minimum order: 125 pieces (colours and sizes combined). Recommended for companies, sports clubs, associations, events and private customers seeking an eco-responsible option.
