## DESCRIPTION

This sewing kit comes in a compact round aluminium tin (Ø8 x 2 cm). Durable yet lightweight, it includes basic repair items for home or travel use: small scissors, thread spools and a thimble. The metal construction provides protection against crushing while remaining easy to carry in a bag or drawer.

The tin features a screw-on lid that closes securely and discreetly. Its slim, flat profile makes it easy to store in a drawer, a toolbox or a sewing box. The smooth metal surface is well suited to marking.

Personalise this item using laser engraving or pad printing — suitable as corporate gifts, event giveaways, club or association merchandising and for private customers. Promotional objects have a minimum order of 100 pieces (colours and sizes combined); smaller quantities may be possible with additional fees.
