DESCRIPTION

Compact heart-shaped pocket mirror, dimensions 6.5 x 6.5 x 0.5 cm, designed for handbag or travel use. The shell features a sturdy rim surrounding two metal mirror faces and opens to reveal a double mirror for practical, everyday checks. A magnetic closure keeps the case securely shut while remaining easy to operate. The product is described as metal and is simple to care for by wiping the mirror surfaces with a soft cloth.

The construction includes a visible hinge that allows smooth opening and holds the mirrors firmly when in use. The item is offered in several colour options (for example red). Please note this promotional object cannot be ordered per piece — minimum order 100 pieces (colours and sizes combined).

Customize this personalised mirror using tampography (pad printing) or digital printing, both suitable for small metal surfaces. Recommended for companies, events, clubs, associations and private gifts. Free quote within 24 hours on weekdays; our graphic studio can retouch or vectorise your logo for production.
