Ref. 8983

Reference	8983
Composition	ABS
Material	ABS
Average weight	0.055
Dimensions	Ø7 x 2CM
Country of origin	China
Carton	200 pieces

DESCRIPTION

The Measure It tape in ABS is intended for care and body monitoring use: a flexible measuring tape combined with a circular dial that includes a BMI calculator. Compact (Ø7 x 2 cm), it is lightweight and easy to store in a kit or drawer. The smooth ABS finish gives a neat appearance while the marked tape and metal tab provide reliable, repeatable measurements.

The dial shows height and weight scales in different units around a reading window that displays the BMI value; the round shape makes it practical for quick checks during health screenings or sporting assessments. Wipe clean with a damp cloth; avoid aggressive cleaners to preserve print and material.

Customisation is available by digital printing or pad printing and this promotional item suits companies, healthcare practices, sports clubs, schools and health events. Minimum order quantity 100 pieces (colours and sizes combined). We offer a free quote within 24 hours on weekdays and a graphic studio to vectorise or retouch your logo. personalised Soins
