DESCRIPTION

Practical and lightweight, the Gran pencil case is made from PVC and provides a neat solution for storing pens, pencils and small stationery. At 25 x 10.5 cm it easily fits into a bag or school satchel. The smooth PVC surface is easy to wipe clean and offers basic moisture resistance for everyday use.

The top zip gives quick access to the contents and welded edges help the pouch keep its shape. Available in 1 colour (blue), it is suitable for school, promotional or administrative purposes when a simple, functional item is required.

This personalised pencil case can be printed using screen printing on items. It is well suited to companies, schools, associations, clubs and events. A minimum order of 100 pieces applies (colours and sizes combined). Our studio can prepare or vectorise your artwork for printing.
