DESCRIPTION

This ABS gift set is shaped like a wine bottle and includes a corkscrew, a pourer and an anti-drip collar in a compact Ø6x23cm format. Its bottle-like silhouette and neat finish make it a convenient choice for corporate gifts, event giveaways and hospitality packs, offering easy handling and storage.

The case opens to reveal dedicated slots that keep each accessory in place, preventing movement during transport. Its compact dimensions suit presentation in gift hampers and make it practical for on-site distribution at events and trade shows.

This personalised gift box can be customised by tampography or laser engraving, both suitable for ABS surfaces. Recommended for companies, clubs, associations, events and private gifts. Minimum order: 12 pieces (colours and sizes combined); smaller quantities may be possible with additional fees. Free quote within 24 hours on weekdays, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
