DESCRIPTION

PVC football, Soccer model, designed for recreational play and promotional use. Constructed from stitched panels with a rubber inner bladder and a PVC outer shell, this ball offers consistent bounce and simple inflation at Ø21.5CM. The smooth, glossy finish gives a uniform look and comfortable feel; maintenance is minimal—wipe with a damp cloth and air dry.

The visible stitching and inflation valve make it easy to use and service when required. Available in several colours, such as white and black. Minimum order quantity: 25 pieces (colours and sizes combined); smaller quantities can be produced for an additional fee.

Customisation options include tampography, multicolour transfer, DTF printing and flex. This personalised football is well suited for companies, sports clubs, associations, schools, events and promotional giveaways. Free quote within 24 hours on weekdays and an in-house graphic studio can prepare or vectorise your logo.
