DESCRIPTION

Personalised sports towel, model Tuko, designed for outdoor and fitness use. Size 35x80 cm, composition indicated as PET-PA (80% microfibre, 20% polyamide). Supplied in a mesh pouch with a drawcord and stopper — convenient for carrying and airing the towel after use. Available in several colours, for example Orange, Royal Blue and Black.

The microfibre construction delivers a soft touch with good absorbency while remaining compact when rolled. The included mesh pouch protects the towel and allows ventilation; the drawcord closure makes it easy to secure. Care is straightforward: wash and air-dry to maintain absorbency and fabric feel.

Customisation options for companies, sports clubs, associations, events and individuals: personalised sports towel using flex, screen printing on items, multicolour transfer, DTF printing or embroidery to achieve the desired look. Minimum order 100 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and a graphic studio is available to vectorise or retouch your logo.
