DESCRIPTION

The Selight candle is a sandalwood-scented candle presented in a soda-lime glass container. Compact (Ø5x6 cm) and weighing 50 g, it has a straight, smooth profile suitable for hospitality, events and gift sets. For cleaning, warm and remove remaining wax before washing the glass.

Offered in several colours, including Black and White, the candle features a slightly thicker glass base for stability on flat surfaces. Its small size makes it ideal for gift boxes, welcome trays or as a promotional item distributed at events. Please note: this item cannot be ordered individually — minimum order 50 pieces (colours and sizes combined).

Customisation is available by digital printing, pad printing or screen printing. Recommended for companies, sports clubs, associations, events and private customers looking for a scented promotional item; free quotes within 24 hours on weekdays and our studio can vectorise or retouch your logo.
