DESCRIPTION

The Moira drawstring bag is a cotton bag in a convenient size (38x42 cm) designed for light carrying and promotional use. The 220 g/m² fabric gives it a substantial feel and the long handles with a cord closure allow both shoulder and backpack-style carrying. It is available in several colours — for example black, grey, blue — and can be laundered following standard cotton care instructions.

The design is straightforward and durable: a double drawcord to close the main compartment and two cords that also act as shoulder straps. Seams are reinforced at stress points and the large handles make accessing the contents easy. The 38x42 cm dimensions provide ample room for documents, garments or promotional items.

This personalised drawstring bag is available from a minimum order of 50 pieces. Personalisation techniques offered include flex, screen printing, multicolour transfer and DTF printing to apply your logo or artwork. Suitable for businesses, sports clubs, associations, events and client giveaways.
