DESCRIPTION

The Central Park foldable blanket is designed for picnics and outdoor leisure. Measuring 120x150cm, it features a PET acrylic-style face for comfort and a water-resistant EPE backing to insulate from the ground. The model folds into a compact pack with a carry handle, shown on the photo, making it easy to transport and store.

When unfolded the blanket shows a tartan finish and a flap with a zip pocket on the top for small items. Edges are finished with a black binding and the foldable construction fastens securely. Care is straightforward: wipe clean and allow to dry; seams are robust for regular outdoor use.

Suited to companies, sports clubs, associations and events, this personalised picnic and camping product can be decorated with techniques such as flex, screen printing on object, multicolour transfer, DTF printing and embroidery. Minimum order: 5 pieces (colours and sizes combined).
