DESCRIPTION

This Puf shower puff is a practical personal-care accessory made from PE. Its gathered mesh construction generates rich lather while remaining lightweight and easy to rinse. With a diameter of approximately 10 cm it is a convenient size for everyday bathing or shower use. Care is straightforward: rinse after use and allow to air dry.

The design features overlapping mesh loops to enhance foam production and includes a small hanging cord for drying. A disc-shaped tag is attached for labelling or brief product information if required. Available in 1 colour: white.

Customisation is available by digital printing or pad printing. This non-textile item has a minimum order quantity of 100 pieces (colours and sizes combined) — lower quantities can be arranged for an additional fee. Suitable for businesses, sports clubs, associations, events and private individuals seeking personalised shower puffs.
