DESCRIPTION

This half-sphere paperweight is made from soda-lime glass and doubles as a magnifying aid for occasional close reading of documents. Its compact oval shape (Ø8 x 3.5 cm) makes it a practical desk accessory to display on a workspace or in a cabinet. It is supplied in a presentation gift box for refined gifting.

The gift box includes a satin-style lining and a rigid lid to protect the paperweight. The smooth glass surface is suitable for precise marking; the item feels stable in the hand and is easily cleaned with a soft cloth without harsh chemicals.

Personalise this paperweight using laser engraving, pad printing or digital printing to create a personalised desk accessory for companies, sports clubs, associations, events or private individuals. Minimum order: 20 pieces (colours and sizes combined). A free quote is provided within 24 working hours on weekdays.
