DESCRIPTION

Pocket multi-tool in stainless steel, credit-card sized for easy carrying or storage in the supplied PU pouch. Measuring 7 x 4.5 x 0.1 cm, it combines 11 useful functions: a ruler, wrench cut-outs, a serrated edge, a keyring hole and other utility slots for everyday fixes. The stainless finish is low-maintenance and corrosion-resistant.

The flat, pierced design keeps bulk to a minimum while the PU pouch protects surfaces and prevents scratching. Practical markings and cut-outs provide quick, functional details for use on site or in daily situations.

Can be customised by laser engraving or pad printing, this tool is suited to companies, sports clubs, associations, events and promotional gifts for individuals. Minimum order: 250 pieces (colours and sizes combined). A compact personalised tools and torches option for branded giveaways.
