The Rome porcelain mug has a conical shape and a 250 ml capacity, with a comfortable integrated handle for everyday use. Its smooth glossy finish gives a neat, elegant look suitable for hot and cold drinks. Dimensions: 11.5 x 8 x 10.5 cm; the porcelain provides a durable, refined appearance.

The clean-lined silhouette, rounded rim and slightly tapered base ensure good stability on desks and tables. The item is supplied in bulk and is available in several colours, such as white.

This personalised mug can be decorated by pad printing (tampography) or by sublimation, making it suitable for company branding, sports clubs, associations, events and personalised gifts for individuals.
