Country of origin	China
Carton	25 pieces

DESCRIPTION

The Dundee Foldable reversible umbrella is designed for everyday use by companies, clubs, associations and private customers. This 3-fold model features an automatic open/close, chrome-plated steel shaft and fibreglass ribs. The 190T pongee canopy has a single-piece black inner lining; at Ø107 x 62 cm it provides good coverage while remaining compact when folded. Care is straightforward: let the umbrella dry open before storing.

Built for durability and ease of use, the fibreglass ribs resist wind and the steel shaft adds stability. The ABS button handle with wrist strap ensures secure handling and a matching sleeve is included for tidy transport. The automatic mechanism makes it practical for frequent on-the-go use.

Available for personalised umbrella orders from a minimum of 13 pieces (colours and sizes combined). Customisation techniques include flex, screen printing on objects, multicolour transfer and DTF printing. Our graphic studio can retouch or vectorise your logo and will include the marking details in the quoted proposal.
