DESCRIPTION

The Tecnotrek backpack is designed for everyday professional use and fits a 15" laptop. With dimensions of 31x17x50 cm it offers a straight, practical cut and comfortable carrying thanks to padded shoulder straps and a top carry handle. Made from PET-PU, it is easy to maintain with a damp cloth.

Details include a vertical zipped front pocket for quick access, a double-zip main compartment and two side compartments including mesh pockets for a bottle or small items. Side compression straps with buckles improve load stability and visible stitching provides a durable finish.

This model can be ordered as a personalised backpack for companies, clubs, associations, events or private customers. Decoration techniques available: screen printing on object, multicolour transfer, DTF printing and flex. Minimum order: 5 pieces (colours and sizes combined). Collection from our Evere workshop or delivery in Belgium, France and Luxembourg; our studio can prepare or vectorise your logo.
