DESCRIPTION

The A5 Softnote notebook is a professional A5 notebook (21 x 15.5 x 1.2 cm) designed for everyday use. Its soft PU cover protects 160 lined pages (80 recycled paper sheets) and gives a pleasant, slightly textured feel. It’s suited to office work, meetings and note-taking on the go; the construction allows the notebook to lie reasonably flat for comfortable writing.

Practical details include an elastic closure band, matching ribbon bookmark, an expandable inner pocket at the back for documents or cards, and a pen loop on the spine so a pen is always at hand. The finish and dimensions make it easy to store in a bag or desk drawer and durable for daily use.

This personalised notebook is available for companies, clubs, associations, events and private customers and can be customised by screen printing on objects or laser engraving. It comes in several colour options, for example black and blue. Minimum order: 25 pieces (colours and sizes combined).
