## DESCRIPTION

The "Tampas" travel mug is a double-wall stainless steel tumbler with a 280 ml capacity (Ø7 x 16 cm) and a PP inner lining for a smooth contact surface with drinks. Its slim profile and subtly faceted lower section provide a secure grip and a neat, professional appearance for daily commuting or office use.

The black plastic flip lid shown on the photo offers a convenient drinking opening and helps reduce spills while on the move. The double-wall construction separates the beverage from the outer surface, and the textured lower area improves handling. It is offered in a matte metallic finish and other colour options.

Order this personalised travel mug with laser engraving, screen printing on object or pad printing. Minimum order: 16 pieces (colours and sizes combined). Suited to companies, clubs, associations, events and corporate gifts. Free quote within 24 hours on weekdays; standard production lead time, collection at our Evere workshop or delivery in Belgium, France and Luxembourg. Our design studio can vectorise your logo prior to marking.
