Phone/car holder

Ref. 9130

Reference	9130
Composition	ABS
Material	ABS
Average weight	0.034
Dimensions	7 x 7 x 3 CM
Country of origin	China
Carton	200 pieces

DESCRIPTION

Universal car phone holder made of ABS, designed to secure a smartphone with its bilateral-opening clamp and 360-degree rotating head. Compact (7x7x3 cm), it clips onto a vehicle air vent and provides flexible viewing angles for navigation or hands-free calls. Easy to clean with a damp cloth and suitable for everyday use.

The item shown highlights rounded clamp edges and gripping fins that deliver dependable retention without complex visible mechanisms, reducing wear over time. Its low-profile shape keeps the dashboard area tidy and fits most standard vent types.

Customisation options include digital printing, doming and pad printing, making this personalised car accessory a practical giveaway or corporate item for companies, clubs, associations, events and private customers. Minimum order quantity: 100 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
