DESCRIPTION

The Aloquin Mini is a compact stainless-steel multitool offering 9 functions in a 7 x 3.3 x 1.6 cm format, designed for portable use. Supplied with a 600D polyester pouch for protection and easy belt carry, its stainless-steel build provides reliable durability for everyday tasks.

Functions fold into the handles and are secured with visible rivets for appropriate stiffness during light-duty work. The pouch closes with a flap to keep the tool secure. Its small footprint makes it suitable as an on-the-go solution for quick repairs, outdoor activities and as a handy spare tool.
